Regarding: Full Stack Developer

Dear Sir,

Thank you for the opportunity to apply for the *Full Stack Developer* position. I am a highly motivated and progress-focused Full Stack Developer with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove myself valuable to Programing Hero.

In my previous role, I am capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency. I have contributed to teamwork, problem-solving, and deal with clients and their feedback toward team efforts. I have proven to be effective and collaborative with strong critical thinking talents. I enjoy collective brainstorming sessions which all me coordinate activities to achieve a common goal.

Your listed requirements closely match my background and skills. A few I would like to mention that

- Highly skilled in design and development
- Experience with team work and problem solving
- Best knowledge of project completions in time in any situation

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy. Thank you for your time and consideration.

Sincerely,

Md. Rajibul Hasan
